

# Create an iPhone Bookmark

This training guide will demonstrate how to add your financial portal access as a bookmark on your smartphone or device.

1. Open Safari on your iPhone or iPad.

2. Enter in your log-in URL into the web address field.

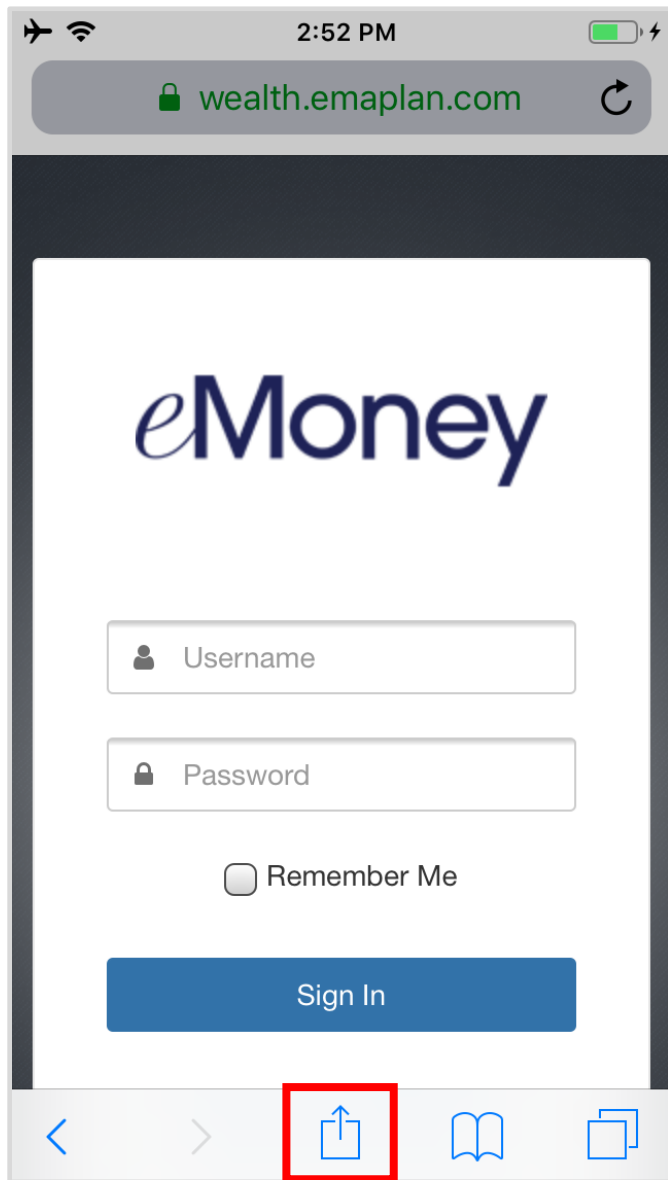

## Please Note:

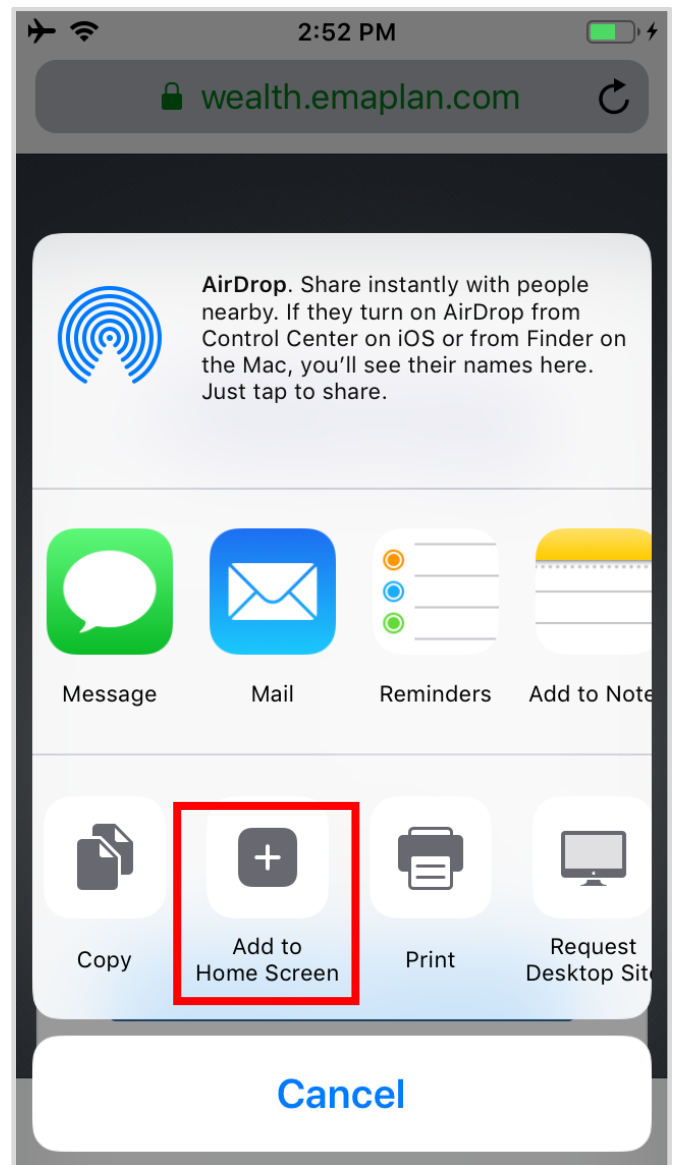

To find the URL, please reference the confirmation email sent when you initially registered for your website access or contact your Advisor.

# Create an iPhone Bookmark

3. Tap the highlighted icon below.

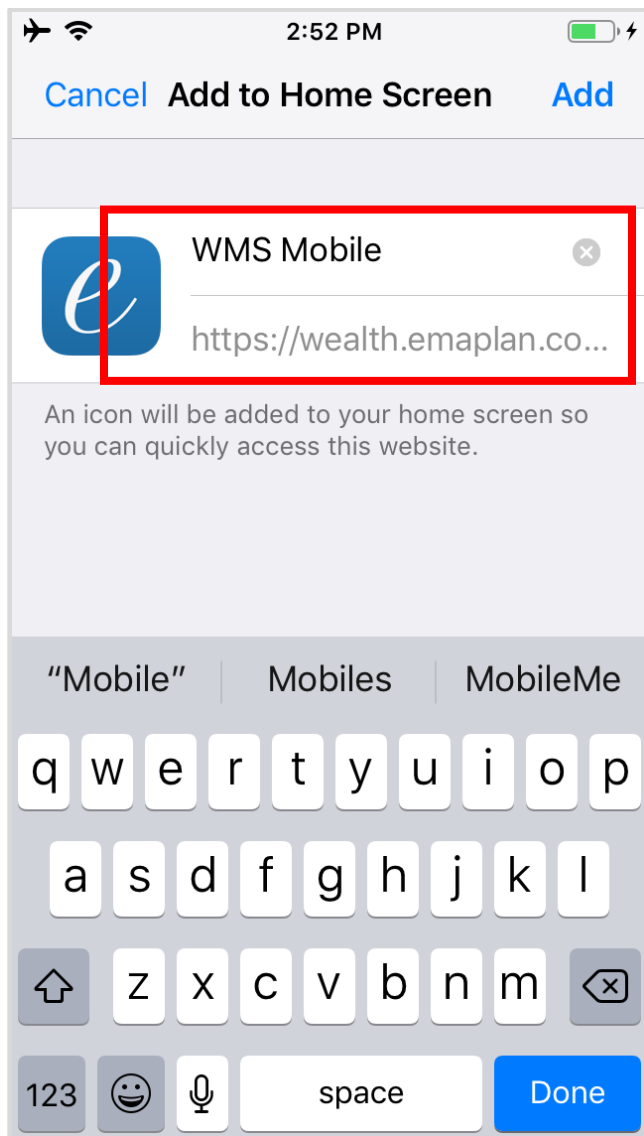

4. Choose to Add to Home Screen.

# Create an iPhone Bookmark

5. Customize the App Name & tap Add.

6. The log in bookmark will now be accessible from your home page!
